STAND DOWN POLICY

The below is to clarify our Stand Down Policy and how and when a stand down(s) must be communicated, and given.

Stand Downs apply to equipment when agreed by A-Plant Equipment as follows;

- Any request for stand down must be provided to A-Plant Equipment in writing to the directed point of contact.
- Written stand down requests must be received by 9:30am on the day of the stand down.
- **Stand downs cannot be applied retrospectively.**
- Stand downs will only be issued for wet weather days and gazetted public holidays.
- Stand down capping – inclement weather stand down days are limited to 5 business days per calendar month, days thereafter are subject to 50% of daily hire rate.
- Equipment breakdown up to 100% stand down if hirer/operator is found not to be at fault.
- Stand downs of sub hired equipment are subject to the stand down terms of that supplier.
- Easter and Christmas/New Year stand down periods are capped at two weeks inclusive of gazetted public holidays. Prior notice arrangements can be negotiated with A-Plant Equipment for machines on long term hire, subject to availability.

Should you seek any clarification on our Stand Down Policy please contact your A-Plant Equipment representative on 1300 014 000 before hire commencement.
